# EXPERIENCE OUR SERVICES

With a route network spanning 23 destinations in 13 countries, Fiji Airways provides unequalled access to the Pacific through our hub in Nadi, Fiji to destinations in the USA, Hong Kong, Japan, Singapore, Australia, New Zealand and the exotic Pacific Islands. Travellers from New Zealand will find convenient flights departing to Fiji and beyond from Auckland daily and up to 3 flights weekly from Wellington and Christchurch on board our Airbus A330 and our new Boeing 737 Max 8. From Nadi, connect with Fiji Airways to the USA with up to 7 flights weekly to Los Angeles and up to 3 flights weekly to San Francisco and Honolulu on board our Airbus A330 aircraft, offering world class service in both Business and Economy Class. Fiji Airways is also a partner in the American Airline Advantage and Alaska Airlines Mileage Plan programmes and members can earn and redeem points. We are also proud to be the first airline globally to link up to the world's premier alliance via the new membership platform with oneworld connect allowing more service and benefits for our customers through a wider network. Within Fiji, Fiji Link offers services that are reliable, comfortable and competitively priced with a comprehensive range of schedules to connect to and from international arrivals.

## BUSINESS CLASS
